WALLA WALLA VALLEY WINE

**2005 Merlot - Walla Walla Valley**

## **The Tasting Panel**

**91 points!**

Rich and silky with ripe plum and berry fruit; long and elegant. Dense, ripe and lovely – [Anthony Diaz Blue](#)

## **Wine Enthusiast**

**90 points!**

The first Merlot from this promising new Walla Walla winery is built upon Pepper Bridge and Seven Hills fruit. Rich fruit flavors of red berries and cherries go deep and long, buoyed with firm acids and annotated with streaks of a chalky minerality. Long lasting and delicious, this is the sort of Merlot that will one day revive that forlorn grape's sagging reputation. — [Paul Gregutt](#)
