WALLA WALLA VALLEY WINE

2006 Cabernet Sauvignon

Walla Walla Valley

Wine Press Northwest

Excellent

Pepper Bridge and Seven Hills Vineyards provide the fruit for this, and the drink doesn't disappoint. It's a classic Cab with notes of cassis, ultra-ripe black cherry, chocolate, leather, cedar, licorice and black pepper. Enjoyable tannins keep you moving through the palate and into a finish of blackberry, green olives and chocolate malt.
