WALLA WALLA VALLEY WINE

## **2007 Matchless Red Wine**

Walla Walla Valley

Wine Press Northwest

**Outstanding!**

This blend of Merlot (70%) and Cabernet Sauvignon from Seven Hills and Lodmell Vineyards comes across as virtually seamless, especially considering the tannin profile of too many Northwest Merlots. Aromas of black cherry, white strawberry, mocha, tobacco, red pepper flakes, soy sauce and licorice emerge. On the palate is an easy approach of cassis, chocolate, leather and juicy cherries. The tannins pull up to the curb gently.

The San Francisco Chronicle &  
Seattle Wine Awards
