WALLA WALLA VALLEY WINE

2008 Otis Kenyon Merlot

Walla Walla Valley

Review of Washington Wines

18.5/20

From Pepper Bridge and Seven Hills Vineyards, this is a fine terroir-driven Merlot. It offers a deep ruby color and sultry aromas of wild raspberries, cherries, cassis, crushed roses, oriental perfumes and forest carpet. The flavors are thick and chewy, laced with black licorice, Swiss chocolate, silty loess earth and minerals. On the back, notes of mocha, coffee grounds, orange peel and roasted nuts emerge, followed by ripe, grainy tannins on the lingering finish.
