## 2010 CABERNET SAUVIGNON Otis Kenyon

Complex and elegant, this Cabernet Sauvignon releases more aromas every minute it is open. Starting with sweet roasted carrot, sautéed fennel and dusty rose, you will instantly be transported to your grandmother's kitchen watching her making chicken stock from scratch. Then the spices kick in with intense clove, molasses cookies and real peppermint candy cane. More of what makes grandma so special.

After a few minutes, a wonderful bit of stray ash from a summer campfire hits you – and that campfire must be on a beach as there is a briny saltiness in the background.

A glass of this wine alongside smoked salmon with capers and red onions would be a wonderful front porch treat this spring and summer.
